**AFFORDABLE GROUP**

## ADVISORY SERVICES

The AFFORDABLE team provides clients with an effective and streamlined solutions for the property and assets maintenance. Prior to the beginning of your projects until its completion and maintenance, we have it covered through our well-designed services. We employ the right systems, facilities and people for the daily operations of your business while ensuring the maintenance of your infrastructure.

Our consultancy services will help guide and assist the client with assessing and forecasting their facility management requirements.

## HANDOVER AND DEFECT LIABILITY PERIOD (DLP)

The AFFORDABLE team ensures the transition from the contractors to the landlords is smooth. Once the project is complete, AFFORDABLE will ensure that any glitches that occur during the DLP period is rectified immediately. We ensure the continuity of daily operations during the handover and DLP by coordinating with the contractors and specialized systems providers:

- Prepare and maintain a detailed handover process
- Ensure all important facilities management requirements are in place.
- Set deadlines and time frames for actual handover process

## SNAGGING SURVEY AND REPORTING

Our experienced engineering teams provide snag reports to contractors and supervise its rectification during the DLP. We make sure the occupants experience minimum or zero defects when using the facilities, ensuring the building environment offers optimum comfort and security.

## BUILDING AND COMMUNITY OPERATIONS

We believe in the importance of the community and provide all the support for running the daily operations. Our team of engineers and staffs have the experience to manage complex systems such as servicing of heating and ventilation systems including soft services such as cleaning and landscaping.

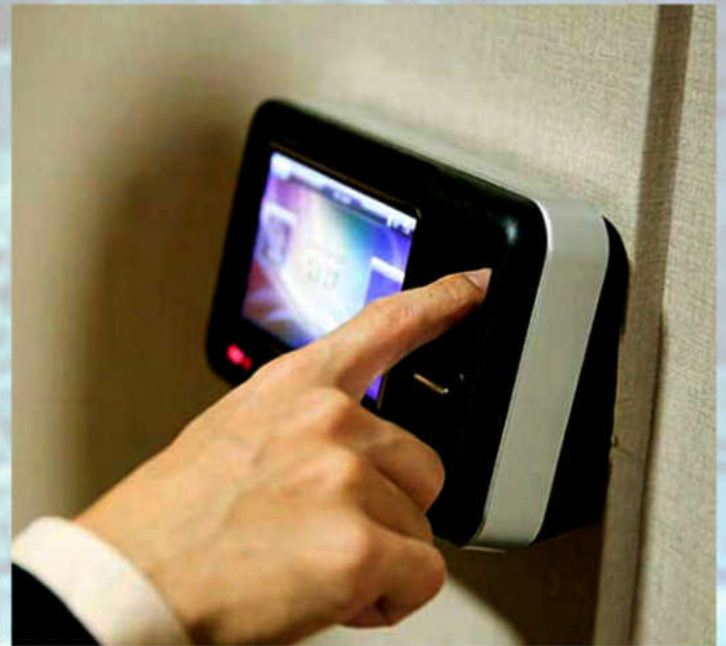

**AFFORDABLE** GROUP

# STRAY CAT CONTROL

When we get the request for this service, approved by Dubai Municipality, we come to the location and bring the cage if needed. We put a cat food inside, which leads a stray cat straight to come inside the core of the cage. When we collect the cats, we go straight at the Dubai municipality and hand over the cats to them. They take a good care of the cats and provide these services:

- Preventive Medicine
- Pet Registration
- Microchip
- Pet Adoption
